SUBJECT: TRAILER BOAT PICK UP & SPRING LAUNCH REQUEST FORM 2022

HAPPY SPRING! The ice is out on the St Croix River in Prescott!

TRAILER BOAT PICK UP and LAUNCH is all based on Mother Nature and we aren't sure what Mother Nature might still bring us!

We are hoping that the Boats that are stored on a trailer and don't need any services done that you'll be able to pick them up around the week of April 18th without any delays. For boats that need to be summerized, in order for us to safely summerize your boat we have to watch the weather! If you need these services done, there could be some delays.

SPRING LAUNCH: We can't start any boat launching or summerizing until the temperatures stay above freezing or near freezing at night. As of today, we don't have a date when we will begin launching any boats for the 2022 Boating Season.

FUEL TANK UPDATE: On February 8th the old tank was removed & the new tank was installed! Our installer still has some work to be done! They've been slowed down, due to Mother Nature! We are getting closer to having gas & diesel fuel along with getting the Marina Store Open for the 2022 Season! We are very excited about getting things back up and running!

THE BOAT PICK UP & LAUNCH REQUEST FORM is important so that we can get everything scheduled and done for your boat before we launch it! We are putting together our to do list for all of the boats that we have in Storage.

GET THE TRAILER BOAT & SPRING LAUNCH REQUEST FORM FROM OUR WEBSITE

www.leoslanding.com
